

CSR Options for Single Day Events

217 Henderson Road #03-07

ItsRainingRaincoats

We are delighted to hear from you.

There are around 750,000 migrant workers in Singapore, and we are in touch with group sizes ranging from 10 workers to 10,000 workers per location and everything in between.

There are many ways that corporate groups or companies can help – we have some ongoing, structured programs – but we are always open to a conversation if you would like to discuss a specific way in which you want to help. Listed below are a few current options but this is not an exhaustive list, we do a lot more on an ongoing basis.

Weekday Options

Manager for a Day

Take a look behind the scenes of what goes on at inspIRRe in a four-hour shift. As a manager volunteer, you will assist in daily chores such as sorting through donations to ensure that they are in good condition, restocking, managing and assisting walk-in donors as well as the unique opportunity of engaging workers.

Timeslots available are either 10.30am or 2pm on weekdays. Weekend options are dependent on manpower availability. In order to ensure a pleasant experience for the team, inspIRRe can host up to 20 pax maximum.

Companies are strongly encouraged to provide items for restocking the store. This can be done via an internal donation drive or ordering items to be delivered to inspIRRe.

We hope the experience will give further insight on the efforts that our team of dedicated volunteers put in for every shift and gain more appreciation for our wonderful team.

Donation Drive

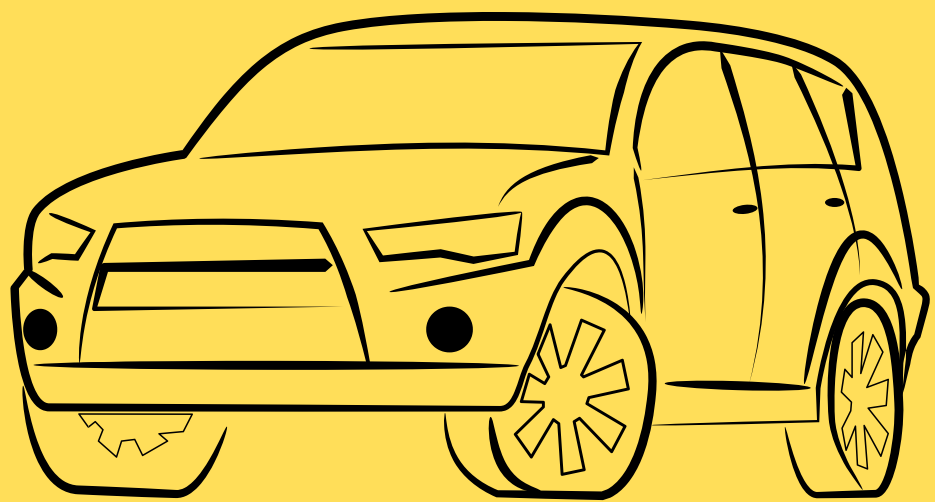

We encourage corporations to organise a fundraiser or a donation drive to collect needed items for the migrant workers. We can then identify a dorm with workers who will benefit from your donation, or you can use these items or funds to restock insplRRe. This will be a half-day event. A list of much-needed items is included [here](#).

Shopping for Migrant Workers

With their limited salaries and rising costs of living due to inflation, many migrant workers often struggle with making ends meet. We hope to alleviate the struggle as well as educate volunteers on what migrant workers really need through a shopping exercise that curates a list of needful items. After shopping at the mall, volunteers will be directed to a specific worksite or to distribute freely to road workers. This experience is expected to take half a day.

Weekend Options

Makan with Migrant Brothers

"Makan with Migrant Workers" is a new opportunity designed by ItsRainingRaincoats to enable the community to bond on a personal level with the migrant worker community of Singapore.

They are as diverse as all of us, and we assure you spending time over a meal with them will leave you as enriched as it will them. Food is a universal connector that transcends language and barriers, offering an intimate look at the lives of our migrant workers.

We are hoping our donors, corporates or volunteers reach out to the migrant workers using this platform, so they can make a personal connection with them.

Workshops & Classes

Hosting a workshop is a fantastic way to help migrant workers enhance their lives in a variety of ways. Potential topics include yoga, workplace safety, computer skills, first aid, graphic design, and more.

We also have a dedicated space at Sembawang Recreation Centre available for conducting these workshops. These initiatives not only provide essential skills and services but also foster a sense of community and support. Your involvement can truly make a meaningful difference in the lives of those we serve!

- I'll do it now. Hold this.
- Give him my regards.

Fun-Filled Outings

If you would like to treat our migrant brothers to a special outing—whether it's a movie, concert, a trip to Universal Studios, or another enjoyable event—we would be thrilled to help facilitate this experience! We kindly ask that you arrange transportation, secure tickets, and, of course, don't forget the popcorn or snacks!

Once those details are in place, we will handle all the coordination to ensure that the workers can sign up for the experience easily. Your thoughtful gesture will undoubtedly foster team spirit and create lasting memories for everyone involved!

Annual Festive Drives

Chinese New Year: Join us for our annual Chinese New Year Bazaar and Donation Drive, where you can spring clean by donating gently used items to support our hardworking migrant brothers and spread festive joy.

Hari Raya Haji: The much-celebrated Annual Potluck returns, featuring local favorites like roti prata, curry puffs, and ice cream, while workers receive gifts and enjoy a range of fun, meaningful activities.

Deepavali: There are more than 1 million workers in Singapore and our goal is to send samosas and pizzas to as many workers as we can. Find out more [here](#).

Christmas: Let us come together to wrap presents and distribute brand new presents to as many workers as we can.

Tailor-made Programmes

2022.10.29

We understand that each partner has different needs and we would very much welcome having a chat with you to understand and tailor a programme accordingly.

Please do send in your request to:
admin@itsrainingraincoats.com and keep
inspire@itsrainingraincoats.com in the cc.
