

CSR Opportunities at ItsRainingRaincoats

217 Henderson Road #03-07

ItsRainingRaincoats

We are delighted to hear from you! With 750,000 migrant workers in Singapore, we support groups of all sizes, from 10 to 10,000 workers. Corporate partners can help through our structured programs or explore custom collaboration opportunities.

This year, we're hosting a special 10-Year Gala to celebrate our milestone and raise crucial funds for future initiatives. Corporate support is vital to making this event a success and ensuring we continue uplifting migrant workers for the next decade. There are multiple ways in which you can support this milestone.

In the next few pages, you will find some ways to get involved—this is just a start, as we do much more year-round!

10-Year Anniversary Gala

ItsRainingRaincoats (IRR) is launching its first-ever fundraising effort to sustain and expand our impactful programs for Singapore's migrant workers.

Your support will help us continue essential initiatives—providing food, healthcare, upskilling, and casework assistance—while expanding outreach through new projects. Funds raised will also cover operational costs, ensuring long-term sustainability.

Corporate partnerships play a crucial role in shaping a more inclusive Singapore while enhancing CSR impact. Join us in celebrating 10 years of IRR's work and laying the foundation for the next decade of meaningful change. Your generosity will directly uplift the lives of nearly 1 million migrant workers.

Donate

Your donation will support IRR in numerous ways!

Donate directly via our Giving.sg page:

<https://www.giving.sg/donate/campaign/from-rain-to-radiance-celebrating-a-decade-of-impact>

Buy A Table

Gather your colleagues, friends, and family to buy a table at our gala for \$5000. Each table seats 9 guests + 1 migrant worker.

Reserve your table today:

<https://forms.gle/IdLQsfbwtL5y7msZA>

Silent Auction

Sponsor products, services, or experiences for our silent auction.

Beverage Sponsor

Sponsor a selection of refreshing beverages for guests to enjoy during the event.

Door Gift Sponsor

Sponsor door gifts for attendees as a token of appreciation for their support.

AV Sponsor

Sponsor audio-visual support to enhance the event experience.

Manager for a Day

Join us for a 2-3 hour shift to experience the meaningful work that happens daily at inspiRRe. As a volunteer, you'll help sort and restock donations, assist walk-in donors, and engage with migrant workers who visit our store. It's a chance to support our mission while gaining insight into the needs of the community we serve.

Sessions are available on weekdays (except Wednesdays) at either 10:30 AM or 2:00 PM. Weekend slots may be arranged depending on staff availability. Each session can host up to 20 participants.

We encourage companies to contribute \$100 per participant, either through in-kind donations of brand-new items or monetary contributions that will go toward purchasing essentials for the store.

This experience offers a closer look at the dedication behind each shift and helps foster a deeper appreciation for our volunteers and the migrant workers we support.

Makan with Migrant Workers

Makan with Migrant Workers is an initiative by IRR that fosters meaningful connection between the community and migrant workers through a shared meal.

To foster deeper engagement, we recommend a 1 volunteer to 5 workers ratio. Meals can be hosted at a dormitory (subject to their approval), restaurant, or your own space, with group size adjusted based on venue capacity. Please provide Halal and vegetarian options to respect dietary needs.

IRR will help broadcast the opportunity and secure worker sign-ups. All event planning, coordination, and costs (e.g. catering, logistics) will be managed and covered by the corporate host.

Sharing a meal is a simple way to build understanding—and a moment that leaves a lasting impact for all involved.

Workshops & Classes

Hosting a workshop is a meaningful way to equip migrant workers with practical skills that can enhance their lives. Our most requested topics include Microsoft Excel, AI, AutoCAD, and other digital literacy courses.

Workshops can be held at our dedicated space at Sembawang Recreation Centre. Other impactful topics include yoga, first aid, financial literacy, and more. These sessions not only provide valuable knowledge but also help foster a sense of community and support.

Looking for something more informal? You can also choose to host a one-day sports day, offering workers a fun and engaging break from their daily routines.

Your involvement can create a lasting impact in the lives of those we serve.

Tailor-made Programmes

2022.10.29

We understand that each partner has different needs and we would very much welcome having a chat with you to understand and tailor a programme accordingly.

Please do send in your request to:

corporate_enquiries@itsrainingraincoats.com and keep inspirre@itsrainingraincoats.com in the cc.
